Mission

As the *Voice of Nursing Leaders* in Massachusetts, we:

- Safeguard patient care
- Advance the profession of nursing
- Shape the future practice environments to benefit patients, families and staff
- Develop and support current and aspiring nursing leaders

Value Statements

Integrity

- Respects the knowledge and uniqueness of those involved by being consistent, articulate and trustworthy

Diversity

- Encourages and incorporates individuals with varying beliefs and ideals who represent multiple cultures, roles, generations and settings

Excellence

- Pursues and recognizes the highest standards of practice and behaviors

Advocacy

- Initiates and participates in public policy and partnerships with other health care leaders

Leadership

- Acts courageously based on values and convictions

MONE Member Benefits include:

- Educational opportunities via quarterly membership meetings held around the state with leading keynote speakers, breakout sessions on hot topics, and plenty of networking opportunities.
- Website: www.massone.org
- Legislative advocacy. MONE is recognized as a strong voice for nursing and patient care at the State House, within regulatory agencies and through two recent AONE Chapter leadership awards:
 - 2004: Influencing public policy to address nursing workforce shortage issues
 - 2007: Recognized for partnering with MHA to develop and implement the *Patients First Initiative*
- Website job postings.
- Research and advisories on critical practice issues.
- **Networking with peers from settings across the continuum of care.**
