Federal Stimulus: What Your Hospital Needs to Know

Will your hospital be eligible for American Recovery and Reinvestment Act Funding?

A great deal of planning and organization will be required to ensure that hospitals are compliant with the new requirements. Many healthcare organizations will need to implement and upgrade technology in order to meet the new requirements of the Act. Join our webinar and learn more about what your organization will need to do to qualify for stimulus dollars.

Discussion Topics:

- What is the Federal Stimulus Act and how does it work
- What is the impact on your hospital
- An explanation of the Carrot and Stick incentives
- A timeline for qualifying for Stimulus dollars including the impact of ICD-10
