

MONE Member Benefits

- Educational opportunities via quarterly meetings held around the state with leading keynote speakers, breakout sessions on hot topics and plenty of networking opportunities
- Web-site www.massone.org which offers a “Members Only” section, legislative updates, and job postings.
- Legislative advocacy. MONE is recognized as a strong voice for nursing and patient care at the State House, within regulatory agencies and through two recent AONE Chapter leadership awards: **2004:** Influencing public policy to address nursing workforce shortage issues **2007:** Recognized for partnering with MHA to develop and implement the *Patients First* Initiative
- Research and advisory committees on critical and practice issues
