

PARTNERSHIP AWARD

The Massachusetts Organization of Nurse Executives established the Partnership Award in 2005 to recognize those individuals or organizations who have worked closely with MONE and demonstrated commitment, courage and collaboration that resulted in achievement of goals that would not have been realized without establishment of a true partnership. Recipients of this award are selected by the MONE Board of Directors. This award is a discretionary award (may not be presented every year).

RECIPIENTS:

- 2010** David McCauley, Deputy Chancellor, Board of Higher Education
- 2007** Sally Millar, Director, Patient Care Services Information Systems
Massachusetts General Hospital
- 2006** Dr. Judith Gill, Chancellor, Board of Higher Education
